NEWS FROM THE PRINCIPAL'S DESK

TERM 3 HIGHLIGHTS

As Term 3 comes to a close, we look back on a season brimming with gratitude, laughter, and celebration:

- **Helpers' Day** reminded us to appreciate the unsung heroes who keep our homes running—thank you for all you do!
- **Date Night** brought cozy movie magic to school, with teddy bears in tow and wide-eyed excitement from our little ones.
- **Grandparents' Day** was a springtime delight, filled with laughter and love in our blooming gardens. What a blessing to have grandparents so involved!
- **Heritage Day** was a vibrant showcase of culture, unity, and delicious pap and wors—truly South African and truly special.
- St Martin's **50th Birthday** Bash was the crown jewel of the term. From food to prizes, it was, in the words of one child, "the BEST party ever!"

Thank you to every parent, grandparent, staff member, and child who made these moments unforgettable. Your support turns events into memories and school into a second home.

REMINDER

School fees are payable in ADVANCE of the month. This means you pay by the first of each month for the following month.

Thank you for paying your fees timeously, as this allows us to meet our financial obligations.
