## 50 YEARS OF FAITH, FAMILY, AND FUN

### 2025 Highlights

#### 🌱 A Year of Growth and Joy

This year has been jam-packed with fun and learning. Our children have grown not only in height but in confidence, independence, and knowledge. The year began with making new friends and meeting our teachers, and our St Martin's family grew with the arrival of new babies. Mrs A welcomed her baby girl, and Mrs Nkomo shared the joyful news of expecting a new bundle of joy. We also celebrated Ms Conana's engagement this past month.

#### 🎂 Celebrating Milestones

One of the highlights of the year was celebrating our 50th birthday – a truly memorable occasion for everyone. We enjoyed exciting visits from the reptile park and Playhive, and welcomed guest speakers who shared their knowledge on honey and bees, healthy eating, musical instruments, and more.

#### 👪 Family Involvement

Our families played a special role in making this year meaningful. From Child-Led Conferences to Mother's Day, Father's Day, Grandparents Day, and Helper's Day, we were blessed to celebrate together. We ended the year with our Nativity Play, a beautiful reminder of the season, and said a fond farewell to the graduating Class of 2025.

#### ✝️ Walking in Faith

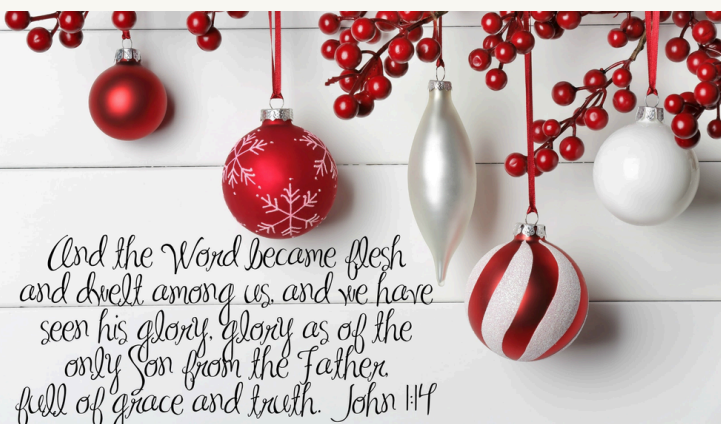

It has been a blessed year walking each day with Christ, guiding our young learners to grow in the Fruits of the Spirit. We are deeply grateful to every person who supported our school – without you, the special work we do would not be possible.

#### 🌍 Looking Ahead

For those leaving us for other schools, we wish you a smooth and happy transition. Please come back and visit us! For those traveling, may your journeys be safe and joyful.

#### 🎄 Christmas Blessings

As we close the year, we wish everyone a blessed Christmas season filled with love, peace, and joy. May the love of Christ surround your family this season and into the New Year.
